### Anchored.

Anchored is what the man said when he dropped into the Anchor Saloon. Why? said his friend. Because you can always get a cool refreshing drink served by gentlemanly attendants, and if you happen to drop in during lunch hour you will be regaled with solids as well as liquids. In fact the lunch at the Anchor is said by many to be the best in town. The celebrated Seattle beer is on tap. It is sparkling and ice cold. The finest of wines and liquors in town are to be had at this popular resort.

## DIED.

INMAN—In Honolulu, March 12 1897, William M Inman, son of Almina Inman, and brother of Arthur V. Inman of S. S. Kinau.

## His Price Was High.

Marse Bob—That you, Jake?  
Jake—Yes, dat's me. You ain't mar'd yet, Marse Bob?  
Marse Bob—No. I'm waiting for an heiress to snap me up.  
Jake—Dat's jes' my fix. I ain't gwine fling myself away, 'less de gal got fo' or leben dollars at de highest kalculation.—Texas Sittings.

## Depth of His Love.

"Oh, William, do you love me still?" the charming matron cried.  
"Yes; better, far, than when you talk," the heartless wretch replied.

## READY FOR WAR.

The sentiment in favor of the Cuban insurgents seems to be growing every day. In Washington the cause of the insurgents is warmly espoused. Yesterday the Cameron resolution, which the morning dispatches reported would probably be introduced into the Senate Monday, was the cause of much comment. According to Secretary of State Olney, this resolution practically means war with Spain. There is no danger or probability that war with Spain will in the least affect the quality of Rainier Beer. No matter what happens Rainier Beer will always be the best. On tap or in bottles at the Criterion Saloon.

## Citizens Attention.

These are days of considerable anxiety and perplexity to all who have possessions or other interests in the Republic of Hawaii, and it is time that our citizens came to a mutual understanding on several important issues. The prospects for Annexation appear at present vague and indistinct, and our destiny cannot be foretold with certainty. There are those, also, who still fondly cling to the hope of a return to the old order of things, and who cannot be persuaded otherwise, yet this outlook appears far more hazy than that of Annexation even to the most hopeful disciples of the Monarchy. But, fortunately, in the midst of all this uncertainty there is solace in the fact that Buffalo Beer has come to stay and that patrons of all sorts and opinions may equally share the benefits of its invigorating and sustaining properties. We are moreover assured that this favorite brew will continue to be dispensed as heretofore at the Royal, Pacific and Cosmopolitan Saloons.

Printed ducks are just as good, if not better than anything else for boys' shirt waists. They wash and wear well, two very important considerations. Kerr has them in a large variety of patterns at eight yards for one dollar.

# No Cause for Alarm!!!

Now that we have found a preparation that is a powerful disinfectant, perfectly harmless, free from odor, convenient to use and at the remarkable low figure of—

## 5 Cents a Gallon.

No prudent housekeeper can afford to run the risk of contracting sickness, which is sure to occur, should you neglect to keep the sewers, cess-pools and outhouses in a perfectly deodorized condition.

## Purifine 25c.

Any Physician will endorse what we claim when we tell you that nine tenths of all fevers and alike illness is the result of carelessness about the sanitary conditions of the premises.

## Purifine 50c.

One great objection to most disinfectants is that they have such a disagreeable odor. Purifine is odorless.

## Purifine \$1 00.

Don't delay in purifying the air you daily breathe and trust to kind providence that you may escape illness. Now is the time to commence the good work, don't wait until the dead heat of summer has arrived; it may be too late.

Take time by the forelock. To be forewarned is to be forearmed.

Purifine in quantities to suit. We are the Sole Agents.
